21 March 2016

Directive 5/2016

Agreement between Class A Licensee Recipient and Authorised Representative

Directive (No. 5/2016) is drawn up on the basis of the provisions of section 34 of the Betting Law (“Law”) which concerns the agreement between a Class A Licensee and an authorised representative and sets out that the authorised representative shall provide to the National Betting Authority (“Authority”) a written agreement between himself and the Class A Licensee which explicitly provides that the representative shall provide betting services as a representative and for and on behalf of the Class A Licensee.

2. As a consequence, it follows that the agreement between the recipient of the license and the authorised representative must be in accordance with the relevant provisions of the Law.

3. The Authority hereby informs the public that as of the 1st of May 2016, no agreements will be accepted that do not comply with the Law or which have been drawn up on the basis of previous Laws.
